Sir:

Further to the Information Disclosure Statements filed May 15, 2003, and September 30, 2003, the Examiner is respectfully requested to consider the additional references, copies enclosed, which may qualify as prior art. For the Examiner's Convenience, the references are listed on the attached Patent and Trademark Office Form PTO-1449.

This submission is made under 37 CFR 1.97(c) and is not believed to require the payment of any fees. The items of information contained in this information disclosure statement were first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to filing of this Information disclosure statement.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission

that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of any fees. If this is incorrect, however, please deduct the appropriate fee from deposit account 07-1969.

Respectfully submitted,

Sally A. Sullivan
